Section 200.07 DISCONNECTING, RECONNECTING AND TRANSFERRING SERVICE

(A) There shall be a charge for City service connections and for transferring of City accounts from the name of one person to the name of another which shall be paid before the service connection is made or accounts changed. There shall be no service connection charge if the original service connection for meter installation or service installation fee has been paid.

(1) *Transferring Service* The charge for the transfer of service to a new customer account at a previously served location or reconnection of service subsequent to a customer requested disconnection shall be set as follows. If after the reconnection the customer does not have water service due to the main valve at the house being in the off position and the field service representative returns to the property, an additional service initiation fee will be applied to the account for each return trip to be set as follows:

Transfer Fee (Re-Initiation Fee) (Per Trip)

During Normal Hours	\$20.25 <u>\$20.56</u>
