

## **LEGISLATIVE MEMORANDUM**

**TO:** Honorable Mayor and Members of the City Council

**FROM:** Lisa Morrell, City Manager

**REQUESTING DIRECTOR:** Laurence Bradley, AICP, Growth Management Director

**DATE:** June 4, 2020

**RE:** Textual Amendment Request – City of Palm Bay (Growth Management Department)

### **SUMMARY:**

The City of Palm Bay (Growth Management Department) has asked for a textual amendment to the Code of Ordinances, Title XVII, Land Development Code, Chapter 185: Zoning Code, Section 185.036 through 185.038. The purpose of this amendment is to exempt multiple-family residential developments that create less than five (5) units from specific development standards. The amendment also revises the building setback criteria for the RM-15 and RM-20 zoning districts.

This amendment removes requirements from the development of multiple-family projects that contain less than five (5) units (i.e. duplexes, triplexes and quadplexes). Certain development standards are intended for multiple-family residential developments that contain several buildings with higher densities and are not intended for single buildings or developments of low-density. For the purpose of consistency and sensible development, the RM-15 and RM-20 districts shall also contain building setbacks commensurate with building heights sympathetic to adjacent properties.
