Website: <https://ims.palmbayfl.gov/ims>

- Copy of water and sewer availability request form (scattered lot only). Contact City of Palm Bay's Customer Service division at 321-952-3420.
- Signed trash containment
- Subcontractor permit authorization forms (if yearly not on file)
- Owner/builder affidavit if owner is applying as contractor.
- Proof of ownership of property or warranty deed.
- Notice of Commencement (over \$5,000)

A separate permit is required for Public Works and must be on file prior to permit being issued. Public Works (321) 952-3403

All documents are required to be electronically submitted through the IMS portal. The portal is an online application for the permit and all required information must be entered. When uploading documents, the "Requested Files" will only accept one (1) PDF, any additional files may be uploaded to the "Additional Uploads". Plans must be digitally signed and sealed by a Florida Licensed Architect/Engineer. To apply for a permit, you must register on the IMS portal. To learn how to register, please follow this link: [IMS Instructional Videos | City of Palm Bay, FL \(palmbayfl.gov\)](#). For assistance on this and other IMS questions please contact our office.

Approvals of other City of Palm Bay Departments must be obtained prior to the issuance of the permit.

Note: Additional documents may be required upon request by the Building Official.
