Residential Solar Permit Submittal

Required Documentation

- Signed and Sealed Solar drawings with sufficient clarity and details to indicate the nature and character of the work being performed. Solar drawing should include type and size of conductors, type, and size of conduit (if applicable) and location of devices and/or outlets.
- Engineered Foundation Plan if a ground mount system and:
 - Copy of certified boundary survey showing proposed property improvements must be an original signed and sealed document. (Zoning Department – 321-733-3042)
 - Environmental Health Department (321-633-2100) approval stamp located on survey. This will be required to show distance from septic system. Located at: 2725 Judge Fran Jamieson Way Viera, 32940.
- Property Owner Authorization (notarized letter)
- Proof of Ownership (copy of warranty deed or property appraiser property tax)
- Recorded Notice of Commencement (if value is greater than \$5,000).

Please contact these other departments for their requirements for permit submission:

City of Palm Bay Zoning (321)733-3042

All documents are required to be electronically submitted through the IMS portal. The portal is an online application for the permit and all required information must be entered. When uploading documents, the “Requested Files” will only accept one (1) PDF, any additional files may be uploaded to the “Additional Uploads”. Plans must be digitally signed and sealed by a Florida Licensed Architect/Engineer. To apply for a permit, you must register on the IMS portal. To learn how to register, please follow this link: [IMS Instructional Videos | City of Palm Bay, FL \(palmbayfl.gov\)](#). For assistance on this and other IMS questions please contact our office.

Approvals of other City of Palm Bay Departments must be obtained prior to the issuance of the permit.

Note: Additional documents may be required upon request by the Building Official.
