AFCI Wiring Affidavit

RE: Permit # _____

License # _____

For the above referenced permit, it is my intention to install an AFCI receptacle outlet, or a combination AFCI/GFCI receptacle outlet, in lieu of the breaker that would be used to provide this protection per NEC 210.12(A)(4). I have identified the circuits where it is my intention to use this method in the following chart (attach additional sheets if necessary):

[illegible]

This document must be uploaded to the permit record and retained on the job site for inspection during the rough electric inspection. Home run box locations must be identified on the plan.
