Over the last 3 years I' ve had the honor and blessing of serving as Mayor of the City of Palm Bay, the greatest City on the face of the Earth. Much has been accomplished, however there is always more we can achieve together. I' m seeking re-election to continue the great work that has been accomplished. I humbly ask you to join me in our continued journey of restoring the Public Trust in our government..

I have been blessed to collaborate with such a diverse group of colleagues, an amazing city staff, and so many caring and passionate residents, business owners. Together we have increased our commercial base, and created jobs, protected our Indian River Lagoon and our Turkey Creek Sanctuary with information and Nutrient Filtering Baffle Boxes. I hope you join me as I continue to serve you through God, Honor and Integrity.
