8. Why do you want to be a member of the City Council?

I believe everyone has an obligation of some sort of public service. I think city council is a great position to do such a thing. I want to make sure that city first responders are properly funded, trained, and have the tools they need to perform their jobs. I want to make sure that abandon buildings are safe and secure. I want Palm Bay to host more community events. I would also like to see our roads be repaired at a faster pace. I want Palm Bay to remain a place where children are safe to walk to for years to come. I believe being in City Council can help those things happen.
