MULTICULTURAL FESTIVAL

No Registrations Accepted After JANUARY 17

Information and Requirements (continued)

- Vendors understand that they must arrive with enough time to set up and be inspected by the Fire Department and the DBPR.
- All vendors **MUST** be set up in their assigned location, with vehicles moved to the proper parking location, no later than **10 AM**. **No refunds will be issued if you arrive late. Support vehicles must be parked in the parking area.**
- Vendors must stay open until 5 PM and cannot be broken down early with cleanup and removal of your items.
- The vendor is responsible for leaving the vendor area in the condition that it was originally received, i.e. remove all debris such as boxes and trash.
- Food vendors must comply with all applicable State of Florida, Brevard County, and City of Palm Bay health and safety codes. Health inspectors will be on-site to check compliance.
- No cooking will be permitted under tents or canvas tops. Cooking is primarily defined as any initial cooking that involves fats and oils. This includes things like kettle corn, grilling, deep frying, etc. All cooking equipment must be located a minimum of 1 foot outside the tent and be roped off to keep patrons away from hot surfaces.
 - Any vendor cooking with oils or fats must have a current tagged Class K fire extinguisher and a 10 lb. 2A:10B:C fire extinguisher per NFPA 10.
 - Please specify on your vendor application how much space is required outside your tent for these cooking operations and the festival will set aside adequate space adjacent to your tent. You may reheat already cooked food under your tent, or cook items that do not have the potential to create grease laden vapors (i.e. boiling water, heating soups, etc.)
- Cooking equipment used in fixed, mobile, or temporary concessions, such as trucks, buses, trailers, pavilions, tents, or any form of roofed enclosure shall comply with NFPA 96, requiring a kitchen and a fire suppression system, complying with UL300, and a current state tag. All pressure cylinders must be securely chained.
- Vendors must provide their own generator. Electricity is not available.
