8. Why do you want to be a member of the City Council?

Palm Bay was my escape from a tough home environment in New York City. At first, there was a culture shock having moved here 15+ years ago as a child. Since then, I've seen the city grow and have grown to love my City. Today, I am raising my daughter here and enjoy the environment it provides for families. I hope to bring a fresh perspective and vision to the Council, on how to improve on what makes our city great, and collaborate on ways we can address current and projected future issues.
