Daily Schedule

All activities are age appropriate.

Campers will stay with their groups and counselors in each area. There will be time each day for scheduled activities, group activities, and supervised free play.

During breakfast time, counselors will speak with their groups about expectations and plans for the day.

When available, campers will be able to sign up for Clubs. They will be given options of different clubs to choose from at the start of the week. Examples could be sports, crafts, or nature. Later in the week when Clubs takes place, the campers will then take part in the Clubs they signed up for, regardless of age group.

Groups

Campers will be placed in groups based on their age.

While consistent groupings of campers and staff throughout the summer is favorable, we cannot guarantee that campers (and counselors) will remain the same group from week to week.

Special requests for groups must be submitted in writing at least one week prior to the start of the camp session.

Requests will be considered on an individual basis.

We cannot guarantee any request but we will attempt to honor it.

Occasionally, campers could be moved to a different group based upon their maturity level.

Camp Chores

Campers will clean up after themselves throughout the day, throwing out their trash, putting their supplies, crafts, and games away when they are finished with them.

At around 4 PM, all campers will take about 15 minutes to assist counselors in cleaning up the camper areas. Sports equipment will be put away, games and crafts tidied up, and collecting any lost and found items to be brought back to the camp areas.
